Ithaca, New York

Public Opening  
September 21, 2006  
3:00 – 4:30 pm

On view through  
August 21, 2007

As the boundaries between artistic mediums are blurred, site-specific urban installations act to reinterpret public space and temporarily change both our individual and collective experience. With artist Patrick T. Dougherty's sculptural work for Sheldon Court Plaza in Collegetown Ithaca, the CCA inaugurates a 5-year series of site-specific installations in Ithaca, New York.
